Financial General Funds Report at 31 July 2016

INCOME	31 July 2016	Comments
Offerings	19,624	This is still a concern. At 31/7/2015 the offering was \$31,135
Other	9,201	This is mainly Dayboro Day Festival (\$6,031)
TOTAL	28,825	
EXPENDITURE		
Pastor	14,590	Nil payments in June or July. Pastor hours reduced this year
Other	8,499	
TOTAL	23,089	
PROFIT	\$5,736	

1. There are no figures for special funds included in this table. Special funds include Conversations Club operations, and specific purpose donations and expenditure. Donations for Casa Segura, Pantry and Chaplaincy are also not included.
2. Currently there are four families contributing their offering by Direct Debit. There are advantages when people do this as knowing the amount that is to come in each month helps with budgeting. It also reduces the likelihood of cash going missing.
3. It is a concern that this year we have had to reduce our Pastor's time from 0.5 to 0.25 in order to stay financially viable.
4. 2016 Dayboro Day Festival (DDF) profits are a record, and additional income (\$205.60) is expected
5. We relied on DDF profits to pay insurance. Church Council also set aside \$2,000 for future major repairs and maintenance. We hope to add to this fund as money becomes available. One future project we could consider is painting inside the church
6. To date, \$842 has been collected Casa Segura and \$670 has been forwarded.
7. To date, \$725 has been collected for the Pantry Fund and \$700 has been forwarded.
8. Average weekly church attendance is currently 34.
