

Notes:

This graph is showing the date by quarter (3 months). So the averages shown are by quarter.

The first issue to note is that the 2015 average offering is still higher than the 2014 average. This is a positive sign. To be comfortable that we have enough funds for future ongoing operations, it would be better if the 2015 average were closer to the 2015 budget.

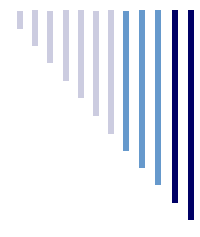

The average for the third quarter of 2015 (July to September) has dropped significantly compared to earlier in the 2015 year. This is a concern .

The “drop” has occurred in the electronic transfers, cheques, and cash methods of offering. This means that there is not a single cause of the issue.

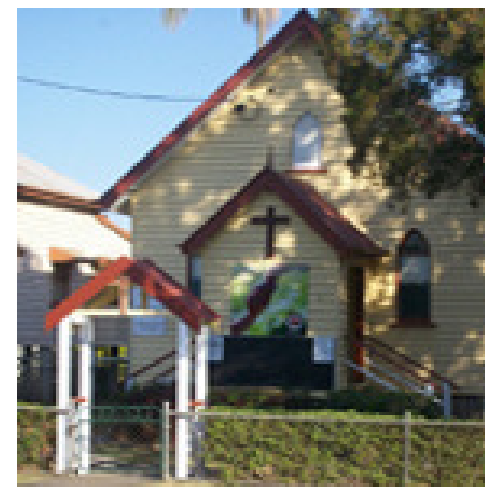

News from Gary about the BUSH DANCE

There were approx 50% more people this year and that reflected into the finances also. The final outcome will not be known until expenses are calculated, but I think that final total for Casa Segura will be around \$3000—\$3300.

Two people also became child sponsors for Casa Segura, so that is a bonus. In all, it was a great night!

*Consultations on
the Life and Witness of our church*

Consultations on the life and witness of our church community will be conducted by the Presbytery between the 12th and 15th November . Reverend David Fender will lead the Dayboro Uniting Church consultation team .

What is involved in a consultation?

The consultation is formed to best suit our church and community. There are five components in the process; each designed to build on the other, develop momentum, and to be fun. A timeline for growing the mission of the congregation is developed with specific objectives and recommendations regarding the life and witness of our congregation. The five components are:

Individual interviews

Group sessions

Informal fun gathering

Prayer

Church Council and Congregation meetings.

The presbytery would like to speak to a wide range of people in the church and local community to discover their passions in life, their suggestions for the future and their hopes for this church and community. 15 to 20 minute meetings are planned .

As Church Council Secretary, it is my job to arrange interviews and group sessions. It is important that a wide range of people have their say. So, **PLEASE** book a time to contribute to the conversation. I will have the schedule with me each Sunday.
