Explorers

We met for the last time for this eventful year of 2021, reviewing the topics we looked at through the year, and reflecting on our life together as the church of Jesus in this specific place. The overwhelming theme seemed to recur, of how much folk enjoy the company of others in the congregation, whether it be just ‘chewing the fat’ over a cuppa, working side-by-side on a project, or plumbing the depths of some theological question. And this year we even finally acquired a name that describes the nature of the group far better than the misleading moniker ‘home group’.

Thank you to everyone who contributed to Explorers this year! I hope you are already on the lookout for the perplexing and exciting topics that are indicative of our journey together as followers of Jesus, ready to kick off again early next year. We have so much more discovering to do together!

Movie Night—Fund raising for Dayboro State School Chaplaincy

We had a great night with little kids and big kids enjoying the movie and the yummy treats that were on sale. We don’t as yet know how much we raised for Chaplaincy but we will let you know asap. Thank you to Lions for giving us this opportunity to serve the community. Thank you also to all those who assisted on the night.
