Pastor's Ponderings

Passion That Endures

The world often associates February with passion — hearts, flowers, chocolate and expressions of love. These are really symbols that remind us of affection; the deeper meaning of passion goes far beyond emotion. True passion is a steady, purposeful devotion that shapes how we live, how we serve, and how (and who) we love each day.

In the Bible, we see passion most clearly in the LORD's love for God's people. It is a love that pursues, forgives, and restores, even at great cost. Jesus' passion was not fleeting or convenient; it was giving and unwavering, with its foundations in obedience and compassion for the world.

As followers of Jesus, we are called to reflect that same passion in our faith. This means nurturing a heartfelt commitment to worship, community, and service, even when our enthusiasm fades or challenges arise. Passion in our walk with God grows when we remain faithful, intentional, and open to the work of the Holy Spirit.

This February, let us look beyond temporary expressions of love and rekindle a lasting passion for God and for one another. May our lives be marked by devotion that endures—love that acts, faith that perseveres, and hope that shines brightly in every season.

Shalom,
Danny

Safe Church Training

All council members, lay preachers and Sunday Space workers have to complete certain modules every 2 years.

If you think you can attend to this yourself at home, Carolyn is more than happy to show you how to do this.

Our congregation is only as good as the people who make it.

We always need more volunteers.

Any authorised lay preachers sitting on their talent, people to do the readings in the Sunday service, lead the prayers of intercession, greeting, leading the singing, the cleaning crew, ground maintenance, setting up on a Sunday, playing musical instruments, leading or helping our Sunday Space (kids) ministry.

If you would like to be involved, please see Danny or Maria.

Dayboro Explorers - Sunday 22 February 2026

Topic: **The Kingdom of God**

We will look at this central theme of the New Testament.

What evidence is there that the Kingdom of God is already here?
How does the Kingdom of God manifest in everyday life?

You might want to bring your bible to look at some of the passages about the Kingdom of God.
We can also talk about how you understand the Kingdom of God.

At about 12.15pm we will break for lunch that we will buy locally and continue to talk about the subject in the church hall.
